CHAIRPERSON'S REPORT

Rod Williams talked about the "Fracturing" operation for Clare County and Gladwin County. He suggested the Clare County Planning Commission could provide educational information to the citizens of Clare County on Fracturing. He suggested that information may be limited and hard to find. We discussed possible resources where information may be located (e.g.; Michigan State University, etc.).

OLD BUSINESS

Don David provided the Planning Commission with an update on the "Addressing Ordinance" for Clare County. Some Townships are working on an ordinance to prevent anyone from changing addresses. The original address ordinance adopted by Clare County, had only been adopted by two (2) Townships. It was noted that the Clare County Planning Commission wants to work with the Townships wanting our help, however, we can not force anything on them. The County has no authority to force anything on a Township.

We discussed further, possible options for the Planning Commission to review.

Rod Williams asked Don David for a "written" directive from the Clare County Board of Commissioners. Don David asked Rod to provide him with a written proposal that he could take back to the Board of Commissioners.

Rod Williams asked for a committee to study the current Ordinance. He appointed Jerry Bridges and Virginia Collins to the Committee. Betty Laskowski and Jenny Pagel might be potential members of the committee.

Pam Mayfield asked "How far back the Clare County Master Plan went back in time. Rod Williams stated we had copies back to the 2004 copy.
