ONLINE MEETING VERIFICATION SHEET

Attending **ONE** online meeting per week is acceptable. However, to verify your attendance and participation, giving a summary explaining what the meeting was about is required.

QUESTIONS TO ASK YOURSELF: What was the topic? Was the group discussion beneficial and engaging? Was it something you agree or disagree with? Do you think it affected you in a positive way or was it triggering? Did you learn anything about yourself during this session, or did you find it unhelpful?
